

Feedback System

Feedback processes of the institution may be classified as follows:

Feedback collected, analyzed and action taken and feedback available on website

Institute has well defined **Feedback collection and analysis processes as mentioned under:**

1. Through online feedback form.
2. Through Suggestion Box
3. By directly approaching to Principal in college hours.
4. Through feedback collection (App)

1. The **online** feedback is mainly used for collecting feedback about faculty and it is classified under 4 major heads.
 - a. Planning & Organization,
 - b. Teaching – Learning process,
 - c. Student participation in teaching learning,
 - d. Management and Evaluation.

The report is generated automatically through software. The Principal and feedback coordinator evaluate the report thoroughly and gives their suggestions and remarks to the respective faculties for corrective measures to be taken in future.

2. Two Suggestion boxes are kept in main building of institute and it is opened regularly in front of Principal & Staff coordinator. Before opening suggestion box college has issued the notice & asks the students for submission of grievances/ suggestions within 1-2 days. The grievances are solved immediately.

Following are some of the sample grievances received from the students.

- demand of full time sports & game faculty in the college
- Permission for using net in net lab, for any student at any time.
- Formation of movie club.
- Wash room & classroom should be clean.
- Demand of Bus facility.
- Demand for Installation of fans in all workshops.
- Shed for student vehicles.
- Maintenance of pipe line, electrical (fans, light), Desk & Benches.
- More numbers of Routers should be installed in college campus to improve wi-fi connectivity.
